INTRODUCTION.

The Registers of Kirklington consist of seven volumes, the earliest entry being of the month of April, 1568. With the exceptions here noticed they are complete and in good condition till 1812.

BAPTISMS.—Two leaves are missing, making a gap from 1576 to 1595. There are also no entries in the years 1569, 1570, 1573, and 1641. The mothers' names are not regularly given until the year 1783.

MARRIAGES.—The Register is blank from 1650 to 1657, and from that date until the Restoration the usual irregular entries occur. There are also many single years in which no marriage is recorded—quite possibly owing to none having taken place.

BURIALS.—A gap of ten years, from 1596 to 1605, probably represents one or more leaves of the Register missing.

The record of each class of entry previous to 1598 is in one handwriting, written at the same time, and is obviously a certified copy from an older Register Book. Each page is signed at the foot by Roger Lascelles, parson, and by Oswald Cottam (his mark) and Christopher Pratt, churchwardens. After that date the entries have been contemporaneously made.

When the Rev. Richard Tatham was inducted Rector, 21st January, 1662, he commenced a new volume, but entries continued to be made in the older register by the parish clerk. We have thus two records covering the period 1662-1681. The Rector's text, being by far the more precise and complete, has been adopted, but it has been compared and collated with the other. There is a similar duplication for the period 1735-1744, which has enabled us to complete many entries that would otherwise have been defective. The volume containing that period has been badly eaten by mice, so that nearly a quarter of the book is gone.

The following are the particulars of the various volumes, with the period embraced by each :—

VOLUME I.—(Marked A.) 35 leaves, parchment, $12\frac{1}{2} \times 7$, with one insertion $8 \times 6\frac{1}{2}$. Many of the leaves and sections have been misplaced in binding. BAPT.—1568-1576; 1595-1653. MAR.—1569-1650. BUR.—1569-1596; 1605-1651.

VOLUME II.—(Also bound up in volume marked A.) 12 leaves, parchment, $12 \times 6\frac{1}{4}$. BAPT.—1653-1681. MAR.—1657-1675. BUR. 1653-1673.

VOLUME III.—(Marked B.) 26 leaves, parchment, $11\frac{3}{4} \times 6$, 7 pp. blank. BAPT., MAR., and BUR.—1662-1735.

VOLUME IV.—(Marked C.) 24 leaves, parchment, $13 \times 9\frac{3}{4}$, 9 pp. blank. BAPT.—1735-1778. MAR.—1735-1752. BUR.—1735-1777. This volume has been damaged by mice, and many of the entries are necessarily to be read only in part.

VOLUME V.—(Marked D.) 17 leaves, parchment, $13\frac{1}{4} \times 8\frac{1}{2}$, 6 pp. blank. BAPT. and BUR., 1772-1802.

VOLUME VI.—The ordinary printed form introduced in 1754. MAR.—1754-1812.

VOLUME VII.—Parchment leaves, $15\frac{1}{2} \times 12\frac{1}{2}$. BAPT. and BUR.—1803-1812.

A Register of all *Marriages Baptisms & Burials which*³ have been in the Parish of Kirklington since the year 1735 John Wandesford Rector

MARRIAGES

1735, December 18th—John Brunton and Elizabeth *Abbot of Kirklington*

1. That is, copied from an entry of that year, which in turn was probably taken from a still earlier authority. It is evidently from the Ancient Statutes and Usages of the Parish.

2. St. Thomas of Canterbury=7th July.

3. This volume is badly eaten by mice. Words printed in italics are gone in the text, but have been supplied in some cases from duplicate entries in other portions of the Register and in some instances from the Bishop's transcripts.

The Yorkshire Parish Register Society.

REPORT FOR 1908.

THE Council of the Yorkshire Parish Register Society have the pleasure to present their Tenth Annual Report. The number of Members on the Roll is 212, a decrease of 16 compared with 1907.

They regret to report the death of their esteemed colleague, Sir Thomas Brooke, Bart, who had been a member of the Council since the foundation of the Society.

During the year the Registers of Otley (Part I), Allerton Mauleverer, and Askham Richard have been issued to the members for 1908, who will also receive the third part of Howden Register in the course of a few months, when it is hoped that the index will be completed. The Registers of St. Martin, Coney Street, York, Rothwell (Part II), and Kirklington are in an advanced state and may be ready for issue in the summer. It is intended that the Registers for 1910 shall be the 1st vol. of Halifax, Thirsk and Austerfield, or Cowthorpe.

The Registers of Aberford, Church Fenton, Crofton, Emley, Featherstone, Garforth, Giggleswick, Hook, Hornby, Kirkby Ravensworth, Saxton, Sowerby (near Thirsk), Thorparch, &c., either have been or are being copied. Donations have been promised towards the printing of Aberford, Ackworth, Ecclesfield, Thirsk and Snaith.

The Council regret the decrease in the number of members during the year. This makes it very desirable that an effort should be made by every member to obtain an additional subscriber, and the Secretaries will be pleased to send a circular to anyone likely to join.

R U L E S .

1. That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2. That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3. That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4. That three members of the Council shall form a quorum.

5. That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6. That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7. That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8. That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9. That copies of the publications of the Society shall be supplied to members only.

10. That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11. That the Council may require any Transcript to be examined by them before publication.

12. That each volume of Registers published shall have a full Index of both Christian and Surnames and of Places.

13. That the Treasurer's accounts shall be audited by a member of the Society, who shall be elected at a meeting of the members.

14. That no alteration shall be made in any of the above Rules except at the Annual Meeting. Notice of any proposed alteration must be sent to the Hon. Secretaries a month before such Annual Meeting, and by them communicated to the members.
